The record custodian has three (3) days to respond to the open records request. Those three (3) days start the first business day after the request was received. For instance, if a request is submitted on Friday, the first day would start the following Monday and a response is due, no later than, the end of business Wednesday.

There will be a charge for the material used and labor to fulfill such a request at the rate of \$16.09 per hour. There is no charge for the first 15 minutes of labor to research and fulfill the request. Payments may be made in cash or a check made out to "Paulding County". If the request is mailed, faxed or emailed payment can be mailed or delivered. In the event of non-payment for a prior open record request and another request is made, in accordance with O.C.G.A. § 50-18-71(d), the county will require prepayment for compliance for any future request until the outstanding balance is paid.

Requestors will be notified when it has been fulfilled and the information is ready for review or retrieval. At that time, charges accrued for open record requests and/or material will be provided.
